Refurbishment Projects announce the launch of Restore & Refurb 2008 as a stand alone exhibition of products and services for Building Restoration and Refurbishment.

Industry forecasts predict that the value of total work in the UK Building & Construction Industry was £80bn in 2006 and will be £82bn in 2007.

The repair, maintenance, refurbishment and restoration sector is forecast to rise to £38bn in 2007 almost half of the total spend and rising.

Restore & Refurb 2008 will present a cost-effective way of reaching this vast and expanding market backed by the leading publication in the field and by major professional organisations including English Heritage, to ensure a quality visitor profile.
